SCALE: < 1/8 1/8 Avg. 1/4 Avg. 1/2 Avg. Below Average Above 2x Avg. 4x Avg. 8x Avg. > 8x
 Color coding based on average number of parts in each row. (Parts which do not come in a given color are excluded from averages.)

Sorted by most common parts (left) to least common parts (right).
 First sort is # of parts the color comes in, second sort is # of pieces in that color across all 24 parts.
 (Numbers based on purchasing of one of each LEGO set from 2013-2017.)
